

# MARINA LAYOUT & FACILITIES

## TOILETS AND SHOWERS

Toilets and showers are situated as follows:

- Opposite C Pier
- Northern side of the Ponsonby Cruising Club
- Adjacent to J Pier
- Opposite T Pier
- Next to the Z pier boat ramp

There are additional toilets opposite Q Pier.

Showers are free for use, except for the boat ramp facilities which accept \$2 coins. Access by swipe tag or PIN code.

## LAUNDRY

The laundry facilities are located as follows:

- Northern side of Ponsonby Cruising Club
- Opposite T Pier

Entry is by swipe tag or PIN code. All washing machines and dryers work on a pre-purchased card operated system at \$4 per wash or dry.

## PUBLIC LAUNCHING RAMP

The Westhaven boat ramp is located next to the Z Pier charter-base. Fees are \$5 each way to launch and retrieve your boat, and the pay and display parking costs are \$4 per hour, or \$32 for 8- 24 hours. Credit cards and coins are accepted.

## WASTE

### Sewage Pump-Out Facilities

Sewage pump-out facilities may be found on the separate pontoon jetty south-east of Z Pier (charter boat base) and at the northern end of U Pier.

These facilities have tapered connections suitable for all vessels and are available 24 hours. They are self-operated and detailed instructions are provided at each location. There is also a portable toilet disposal facility located in the toilet/laundry building adjacent to T Pier.

### Waste Oil

Waste oil drums and bins for oil filters are located at the top of piers B, D, H, M, P, S, T, VWX and Z. Please choose the most convenient for you.

### Rubbish

There are grey rubbish bins near the top of all piers for general daily boat rubbish.

### Recycling

Yellow recycling bins for cans and bottles are situated near the pier gates.

## FUELLING UP

For the sake of our Clean Marina, please don't refuel at your berth. There are two fuel operators within the Westhaven precinct:

Go Fuel is located on Y Pier and offers both diesel and petrol. As well as Eftpos and credit cards, this self-service facility offers discounted pricing via a GoFuel Mobilcard.

The Orams Marine Village Fuel Depot on the eastern side of the marina is open all hours, provides self-service or a valet service, and accepts credit card payment outside of business hours.
